

13A.110 Prescription of forms and tables.

Subject to limitations in applicable statutes, any administrative body which is empowered to promulgate administrative regulations may, consistent with applicable statutes, prescribe forms and tables for use by the administrative body and for the public in dealing with the administrative body unless the content of such form is prescribed by a statute. Forms that are required to be submitted by a regulated entity shall be included in an administrative regulation. Forms and tables that meet the requirements of KRS 13A.2245 may be incorporated by reference.
