

72.430 Pathologist, toxicologist, chemist -- Immunity from civil liability.

No pathologist, toxicologist, chemist, or other authorized person shall be required to inquire into the authority of the coroner to order an autopsy to be performed. Any authorized pathologist, toxicologist, chemist, or other authorized person who participates in an autopsy or post-mortem examination, upon request of the coroner, shall have immunity from any civil liability that might otherwise be incurred or imposed.

Effective: June 17, 1978

History: Created 1978 Ky. Acts ch. 93, sec. 10, effective June 17, 1978.
