

77.140 Accounting -- Annual audit.

The air pollution control board of a consolidated local government or a county containing a city of the first or second class shall install and maintain a modern and efficient system of accounting and keep financial records. The board, however, may select and use the finance department of the consolidated local government or city to do its financial accounting and make its disbursements in a manner as may be agreed upon by and between the board and the director of finance of the consolidated local government or city, which work shall be done by the finance department without compensation from the board. The Auditor of Public Accounts of the Commonwealth of Kentucky, the comptroller and inspector of the consolidated local government or the city, and the county auditor of such county, respectively, shall have access to the books and records of the board, and upon the direction of the legislative body of the consolidated local government or the city the comptroller and inspector, or upon the direction of the fiscal court of the county the county auditor, shall make an audit of the board's accounts and report back thereon.
