- (2) When the cabinet determines that the dam, reservoir, levee, embankment, or other water barrier has been abandoned; or where the owner fails, in the judgment of the cabinet, to take satisfactory action toward compliance with an order, issued pursuant to this section; or where an owner fails to maintain a satisfactory rate of progress toward full compliance therewith; or where in the judgment of the cabinet, the danger to life or property will not permit delay, the cabinet shall declare that an emergency exists and shall take such action as it deems necessary to render the dam, reservoir, levee, embankment, or other water barrier safe, which action may include, but is not limited to:

- (4) Any person to whom an order is directed pursuant to this section shall comply therewith immediately, but, on petition to the cabinet, may within five (5) working days have a hearing thereon.
