

**158.791 Legislative findings and intent regarding reading.**

- (1) The General Assembly hereby finds that reading proficiency is a gateway skill necessary for all of Kentucky students to achieve the academic goals established in KRS 158.6451. It is Kentucky's goal that all children learn to read well before exiting the primary program and that all middle and high school students have the skills necessary to read complex materials in specific core subjects and comprehend and constructively apply the information.
- (2) It is the intent of the General Assembly that:
  - (a) Every elementary school:
    1. Provide a comprehensive schoolwide reading program;
    2. Provide diagnostic reading assessments and intervention services for those students who need them to learn to read at the proficient level;
    3. Ensure quality instruction by highly trained teachers; and
    4. Provide high quality library media programs;
  - (b) Every middle and high school:
    1. Provide direct, explicit instruction to students lacking skills in how to read, learn, and analyze information in key subjects, including language, reading, English, mathematics, science, social studies, arts and humanities, practical living skills, and career studies; and
    2. Ensure that teachers have the skills to help all students develop critical strategies and skills for subject-based reading;
  - (c) The Kentucky Department of Education provide technical assistance to local school districts in the identification of professional development activities, including teaching strategies to help teachers in each subject area to:
    1. Identify and teach the skills that students need to comprehend the concepts and content of each subject area; and
    2. Use activities and materials that will help the students comprehend and constructively apply information based on the unique content of each subject area; and
  - (d) The Education Professional Standards Board review and revise when deemed necessary the teacher certification and licensure requirements to ensure that all teachers, regardless of the subject area taught, are prepared to improve students' subject reading skills.
