

171.400 Oral history interview -- Confidentiality.

- (1) A state agency or institution which obtains an oral history interview for historical purposes may enter into a reasonable and mutually acceptable written agreement of confidentiality with the interviewee with regard thereto.
- (2) An oral history interview which has been obtained under a written agreement of confidentiality shall remain confidential and shall not be public information until the conditions of the agreement have been met, at which time it shall become public information.
- (3) An oral history interview for which no written agreement of confidentiality has been made shall be public information and shall not be confidential.
- (4) This section shall be deemed to be retroactive and shall apply with equal force to oral history interviews for which a written agreement of confidentiality was obtained prior to July 15, 1986.

Effective: July 15, 1986

History: Created 1986 Ky. Acts ch. 38, sec. 1, effective July 15, 1986.
