

149.520 Establishment of statewide system of forest fire prevention.

- (1) It shall be the duty of the cabinet to establish and maintain a statewide system of forest fire prevention, detection and suppression.
- (2) The cabinet shall formulate a plan and program subject to the approval of the secretary for energy and environment to extend forest fire protection to all counties not now participating in the state program. The plan shall provide for the establishment of such protection in all the counties of the state on or before January 1, 1964.

Effective: July 15, 2010

History: Amended 2010 Ky. Acts ch. 24, sec. 165, effective July 15, 2010. -- Amended 1974 Ky. Acts ch. 74, Art. III, secs. 1, 13(3). -- Created 1958 Ky. Acts ch. 139, sec. 2, effective June 19, 1958.
