

17.180 Automated fingerprint identification system.

- (1) The Department of Kentucky State Police shall design, implement, and maintain an automated fingerprint identification system.
- (2) The automated fingerprint identification system shall be compatible with any similar system required by the federal government for inclusion of state information in federal criminal justice databases.
- (3) The Commonwealth shall provide and maintain in every detention center the automated fingerprint identification system equipment and programs required by the Department of Kentucky State Police through administrative regulation.

Effective: June 26, 2007

History: Amended 2007 Ky. Acts ch. 85, sec. 95, effective June 26, 2007. -- Created 1998 Ky. Acts ch. 606, sec. 29, effective July 15, 1998.
