

**45A.305 Personnel, information, and technical services -- Schedule of fees.**

- (1) Any public purchasing unit is authorized, within its discretion, upon written request from another public purchasing unit or foreign purchasing activity, to provide personnel to the requesting public purchasing unit or foreign purchasing activity. Payment to the public purchasing unit providing the personnel, by the public purchasing unit or foreign purchasing activity making the request, of direct and indirect costs of furnishing the personnel, and the terms relating thereto shall be agreed upon by the parties involved.
- (2) The informational, technical, and other services of any public purchasing unit may be made available to any other public purchasing unit or foreign purchasing activity provided that the requirements of the public purchasing unit tendering the services shall have precedence over the requesting public purchasing unit or foreign purchasing activity. Additionally, and subject to agreement between the parties, the requesting public purchasing unit or foreign purchasing activity shall pay all of the expenses of the services so provided.
- (3) This Commonwealth, through the Finance and Administration Cabinet, upon request may make available to all public purchasing units the following services, among others:
  - (a) Standard forms;
  - (b) Printed manuals;
  - (c) Product specifications and standards;
  - (d) Quality assurance testing services and methods;
  - (e) Qualified products lists;
  - (f) Source information;
  - (g) Common use commodities listings;
  - (h) Supplier prequalification information;
  - (i) Supplier performance ratings;
  - (j) Debarred and suspended bidders list;
  - (k) Forms for invitations for bids, requests for proposals, instructions to bidders, general contract provisions, and other contract forms; and
  - (l) Contracts or published summaries thereof, including price and time of delivery information.
- (4) The Commonwealth, through the Finance and Administration Cabinet, may provide the following technical services, among others:
  - (a) Development of products specifications;
  - (b) Development of quality assurance test methods, including receiving, inspection, and acceptance procedures;
  - (c) Use of state product testing and inspection facilities; and
  - (d) Use of state personnel training programs.
- (5) The Finance and Administration Cabinet may publish a schedule of fees for the services provided under subsections (3) and (4) of this section.

**Effective:** July 15, 1982
