

61.547 Transfer of annual and sick leave balances by employees.

Any other statute to the contrary notwithstanding, the Executive Department of government shall accept from the Judicial and Legislative Departments of government, all accrued annual and sick leave balances and service credits of employees leaving such departments and accepting appointments to the Executive Department. These leave balances shall be attested to by the former employer of the employee and shall not exceed those limits established by statute or administrative regulation for employees of the Executive Department. This procedure shall be reversed for those employees leaving the Executive Department of government and accepting appointments to the Judicial and Legislative Departments.

Effective: July 15, 1988

History: Created 1988 Ky. Acts ch. 247, sec. 1, effective July 15, 1988.
