

79.335 Nonseverability of provisions governing cooperative compacts.

If any provision of KRS 79.310, KRS 81A.005, or KRS 79.315 to 79.330 is held to be unconstitutional or invalid, that provision shall not be severable but KRS 79.310, KRS 81A.005, and KRS 79.315 to 79.330 shall be invalidated, because it is the intention of the General Assembly that the provisions of KRS 79.310, KRS 81A.005, and KRS 79.315 to 79.330 are so essentially and inseparably connected with and dependent upon every other provision that KRS 79.310, KRS 81A.005, and KRS 79.315 to 79.330 would have not been enacted without the inclusion of every provision in KRS 79.310, KRS 81A.005, and in KRS 79.315 to 79.330.
