

96.160 Power of second-class city to furnish water and light.

The legislative body of any city of the second class may, by ordinance:

- (1) Provide the city with water; establish and regulate public cisterns, hydrants and reservoirs, within or beyond the limits of the city, for the extinguishment of fires and the convenience of the inhabitants; prevent the unnecessary waste of water; and compel any water company to change or relocate any water main or pipe.
- (2) Provide, by itself or through others, for lighting the streets, public places and buildings of the city and furnishing light to its inhabitants; and regulate the quality and quantity of the light and the method, time and appliances for furnishing light.
