

96.922 Public hearing.

The First Ordinance shall provide for a public hearing at a time and place to be specified therein not less than one (1) week after publication. Such hearing shall be presided over by a person or persons designated by the governing body of the city. Written minutes of the meeting shall be kept, and shall be made a part of a written report, to be submitted by the designated presiding person or persons, to the municipal governing body of the city. At such hearing any affected sewer user, including affected prospective sewer users in any area contemplated to be annexed or in the course of annexation proceedings, may appear and be heard.

Effective: June 19, 1958

History: Created 1958 Ky. Acts ch. 169, sec. 11, effective June 19, 1958.
