-- Provisions applicable to natural gas.**

Notwithstanding any other provisions of this chapter to the contrary:

- (1) In the case of natural resources other than natural gas, where the department finds that it would facilitate and expedite the collection of the tax imposed under KRS 143A.020, the department may authorize the taxpayer processing the natural resource to report and pay the tax which would be due from the taxpayer severing the natural resource. Authorization from the department shall be in the form of an agreement executed by the taxpayer processing the natural resource, the taxpayer severing the natural resource, and the department. The agreement shall be in such form as the department may prescribe. The agreement must be signed by the owners if the taxpayers are natural persons; in the case of a partnership or association by a partner or member; in the case of a corporation, by an executive officer or some person specifically authorized by the corporation to sign the application. The executive director of the Office of Legal Services for Revenue shall sign for the department. The agreement may be terminated by any party to the agreement upon giving thirty (30) days' written notice to the other parties to the agreement; however, the department may terminate the agreement immediately upon written notice to the other parties when either the taxpayer processing the natural resource or the taxpayer severing the natural resource fails to comply with the terms of the agreement; and

 1. Where the person severing or severing and processing the natural gas will sell the gas to the ultimate consumer; or

In those cases where the person severing or severing and processing the natural gas sells the gas to the ultimate consumer, the person so severing or severing and processing the natural gas shall be liable for the tax imposed under KRS 143A.020. In those cases where the department determines that the collection of the taxes due under KRS 143A.020 from the severance or severance and processing of natural gas would be accomplished in a more efficient and effective manner through the severor, or severor and processor, remitting the taxes, the department shall set out its determination in writing, stating its reasons for so finding, and so advise the severor or severor

and processor at least fifteen (15) days in advance of the first reporting period for which such action would be effective.
