

146.250 Boundaries of stream areas.

The secretary of the Energy and Environment Cabinet shall, by June 16, 1974, determine generally the boundaries of the stream area associated with the stream or stream segment initially included in the Wild Rivers System by KRS 146.200 to 146.360. Establishment of these boundaries shall be accomplished in such a way that it includes at least the visual horizon from the stream, but not more than two thousand (2,000) feet from the center of the stream. The boundary shall further include access points, at the upstream and downstream boundary of the area.
