

147B.110 Duties and functions.

The Governor's Financial Policy Council shall perform the following duties and functions:

- (1) Review the state revenue forecast and official revenue estimates;
- (2) Review long-term expenditure patterns;
- (3) Review federal economic, taxation, and budget policies and report to the Governor regarding the impact of such policies on the state economy and upon the state's finances;
- (4) Review state infrastructure and capital investment needs and advise the Governor regarding needed changes and revisions;
- (5) Review and make recommendations regarding economic issues as are deemed appropriate; and
- (6) Provide other financial analyses as requested by the Governor or the Governor's Office for Policy and Management.

Effective: July 15, 1986

History: Created 1986 Ky. Acts ch. 370, sec. 2, effective July 15, 1986.
