

148.835 Pilot project requiring state parks to purchase Kentucky catfish and horticultural products -- Administrative regulations.

The Department of Parks shall establish a pilot project within the Department of Parks to require that if purchasing catfish or horticultural products, state parks purchase Kentucky farm-raised catfish and Kentucky horticultural products if the purchasing officer determines that they are available, can be priced on the menu to encourage their sale, and meet the quality standards set by the Department of Parks. As used in this section, "horticultural product" means fruit, nuts, vegetables, and herbs. The commissioner of the Department of Parks shall promulgate administrative regulations in accordance with KRS Chapter 13A to implement the purchasing requirement as set forth in this section as soon as possible after April 23, 2002.

Effective: April 23, 2002

History: Created 2002 Ky. Acts ch. 344, sec. 4, effective April 23, 2002.
