

150.4111 Sale of legally taken wildlife.

- (1) Any person may sell the inedible parts of any legally taken wildlife to a licensed taxidermist for the purpose of mounting. A licensed taxidermist may buy or sell the inedible parts of any legally taken wildlife for the purpose of mounting, except as otherwise prohibited by federal law. Any person may purchase from or sell to a licensed taxidermist any legally mounted specimen.
- (2) Within ten (10) days after the end of each month, a licensed taxidermist shall send to the department a report indicating the number and name of the wildlife of each species which he purchased during the preceding month and the name and address of the person from whom he purchased the wildlife.

Effective: July 15, 1988

History: Created 1988 Ky. Acts ch. 141, sec. 1, effective July 15, 1988.
