

**150.605 Contract for commissioning painting to be used as state waterfowl stamp --
Use of revenue from sale of painting.**

The Fish and Wildlife Resources Commission by regulation shall enter into a contract with a nonprofit organization to commission an artist for a waterfowl painting to be used as the state waterfowl stamp. The revenue from the sale of the painting shall be given to the nonprofit organization for the development of waterfowl propagation projects which specifically provide waterfowl for the Mississippi flyway, after obtaining evidence that the projects are acceptable to the appropriate governmental agencies having jurisdiction over the project areas.

Effective: July 1, 1985

History: Created 1984 Ky. Acts ch. 166, sec. 2, effective July 1, 1985.
