

151.621 Definitions for KRS 151.620 to 151.629.

As used in KRS 151.620 to 151.629, unless the context requires otherwise:

- (1) "Committee" means the Interagency Technical Advisory Committee on Groundwater as created in KRS 151.629;
- (2) "Groundwater resource" means groundwater that is currently being used or is capable of being used;
- (3) "Groundwater system" means a body of groundwater that is separated from other bodies of groundwater either by flow characteristics including but not limited to flow direction, flow speed, permeability, or storativity, or by water chemistry or layers of rock;
- (4) "KGS" means the Kentucky Geological Survey; and
- (5) "Monitoring network" means a series of wells, springs, and associated surface water that will be tested on a periodic basis for water level, discharge, and water chemistry.

Effective: July 15, 1998

History: Created 1998 Ky. Acts ch. 30, sec. 2, effective July 15, 1998.
