

156.690 Teachers' computer purchase program.

The Kentucky Board of Education shall initiate a program to assist and encourage each certified teacher to purchase a computer for his own personal use. The program shall include, but not be limited to, the following:

- (1) The Kentucky Board of Education shall obtain by competitive bidding or negotiation the lowest possible purchase prices for various personal computers on behalf of all interested teachers.
- (2) The Kentucky Board of Education shall arrange a suitable training program in the use of these computers with the vendor awarded the contract.

Effective: July 15, 1996

History: Amended 1996 Ky. Acts ch. 362, sec. 6, effective July 15, 1996. -- Created 1990 Ky. Acts ch. 476, Pt. I, sec. 23, effective July 13, 1990.
