

164.2867 Provision of vaccination information regarding meningococcal meningitis disease to postsecondary students.

- (1) Each public or private educational institution that offers a postsecondary degree and has a residential campus shall provide vaccination information on meningococcal meningitis disease to full-time students living in resident housing.
- (2) The vaccination information shall be contained in the student housing or enrollment application or lease document and shall include a space for the student to indicate whether or not the student has received the vaccination against meningococcal meningitis disease. If institutions provide electronic enrollment or registration to first-time students, the information required by this section may be provided or collected electronically.
- (3) Vaccination information about meningococcal meningitis disease shall include detailed information on the risks of the disease and any recommendations issued by the National Centers for Disease Control and Prevention.
- (4) The vaccination information obtained under this section that is in the possession of the educational institution is confidential and shall not be a public record.
- (5) This section shall not be construed to require the educational institution or the Cabinet for Health and Family Services to provide or pay for the meningococcal meningitis disease vaccination.
