

175.800 Funds credited to state transportation fund (road fund) to be used for lease rental payments.

Funds credited to the state transportation fund (road fund) shall be used for the purposes of paying the annual lease rental payments to the Kentucky Turnpike Authority for economic development road projects. Any funds deposited to the credit of the transportation fund (road fund) in excess of the amount required for any such annual lease payments shall be used for any lawful purposes of the transportation fund (road fund).

Effective: July 15, 1980

History: Created 1980 Ky. Acts ch. 393, sec. 6, effective July 15, 1980.
