

186.0422 Display of international symbol of access on accessible parking registration plate.

Any person eligible for an accessible parking registration plate under KRS 186.042 who has been issued, or is eligible for, a special license plate shall make application to the cabinet by September 1 of the preceding registration year that the special plate be made to display the international symbol of access adopted by Rehabilitation International in 1969. The fee for a plate issued under this section shall be the same as for the special plate that the person is eligible for. All privileges granted by KRS 186.042 shall apply to license plates issued under this section.

Effective: July 15, 1998

History: Created 1998 Ky. Acts ch. 288, sec. 1, effective July 15, 1998.
