

186A.185 Department to be custodian of documents.

The Department of Vehicle Regulation shall:

- (1) Be the custodian of the original of each application for a certificate of title, and its supporting documents. It shall retain such records in accordance with a records retention and destruction schedule established pursuant to the archives and records statutes of this state.
- (2) Furnish on a periodic basis not less than quarterly to other states, either the original, or a copy, or listings of all certificates of title received from them, to include title and document control numbers in addition to the vehicle description and owner information.
- (3) Maintain active liaison with other states regarding vehicle titling and its auto-theft implications, and obtain from them on a regular basis, listings of documents reported missing or stolen or counterfeit.

Effective: July 15, 1982

History: Created 1982 Ky. Acts ch. 164, sec. 34, effective July 15, 1982.
