The licensor may require in the application, or otherwise, information relating to the applicant's solvency, his financial standing, or other pertinent matter commensurate with the safeguarding of the public interest in the locality in which the applicant proposes to engage in business. The information may be considered by the licensor in determining the fitness of the applicant to engage in business as set forth in this section.

A change of location shall require a new application. A licensee may conduct a temporary sale or display if the temporary sale or display is permitted under an enabling ordinance enacted by the city, county, urban-county, or consolidated local government within whose boundaries the temporary sale or display is to be conducted. A temporary sale or display shall be advertised as temporary in nature and shall consist of a representative sampling of the inventory of each participating licensee. The provisions of this subsection shall not apply to a nonprofit motor vehicle dealer.
- (8) Every salesperson, factory representative, or distributor representative shall carry his license when engaged in business, and display it upon request. The license shall name his employer; and in case of a change of employer, the salesperson shall immediately mail his license to the licensor who shall endorse the change on the license without charge.

The bonds shall be executed in the name of the State of Kentucky for the benefit of any aggrieved parties, but the penalty of the bond shall not be invoked except after a court adjudication. The commission may promulgate administrative regulations to permit the applicant to submit evidence, in lieu of posting bond, that reliable financial arrangements, deposits, or commitments exist providing assurance, substantially equivalent to that afforded by a bond complying with this subsection, for payment on conditions and indemnity set forth

in this subsection. The bonding requirements of this subsection shall not apply to manufacturers, factory branches, and their agents.
