

205.2001 "Public assistance under Title IV-A of the Federal Social Security Act standard of need" defined.

For purposes of eligibility for public assistance under Title IV-A of the Federal Social Security Act, "public assistance under Title IV-A of the Federal Social Security Act standard of need" means an amount no less than the poverty income level by size of family unit, as annually issued by the United States Department of Health and Human Services, minus the combined value of the state's average Medicaid utilization for a given family size plus the value of United States food stamps for a given family size.

Effective: July 15, 1998

History: Amended 1998 Ky. Acts ch. 100, sec. 3, effective July 15, 1998. -- Created 1988 Ky. Acts ch. 121, sec. 2, effective July 15, 1988.
