

205.830 Legislative intent.

It is the intent of KRS 205.835 to assist the cabinet in ascertaining eligibility of applicants for or recipients of benefits under programs administered by the cabinet and to prevent abuse of such programs by imposing a public duty upon all banks, savings and loan associations, credit unions, and other financial institutions to cooperate with the cabinet and to disclose financial data pertinent to such applicants or recipients or members of their respective households.

Effective: July 15, 1986

History: Created 1986 Ky. Acts ch. 286, sec. 1, effective July 15, 1986.
