

212.610 Public hearings -- Production of evidence.

The board, in such manner as it shall provide by appropriate rules and regulations, is authorized to and shall conduct public hearings, upon notice duly given, concerning violations, committed within its jurisdiction, of the provisions of KRS 212.350 to 212.620, or the aforesaid health laws, ordinances, or regulations, or of regulations or orders of the board herein created. The board, for the purpose aforesaid, is authorized to subpoena and examine witnesses, and certify official acts. Any member of the board is empowered and authorized to administer oaths and swear witnesses in any matter that is before the board.

History: Created 1942 Ky. Acts ch. 41, sec. 20.
