

212.890 Powers of local and district health departments.

County, city-county, and district health departments may in addition to other powers specified in KRS 212.245:

- (1) Acquire title, by purchase or otherwise, with the approval of the cabinet, to real estate and such other property as may be necessary;
- (2) Maintain in each county not less than one (1) office and such others as are deemed necessary;
- (3) Lease real and personal property;
- (4) Procure liability insurance;
- (5) Except as otherwise provided by law, do all other things reasonably necessary to protect and improve the health of the people.

History: Created 1972 Ky. Acts ch. 301, sec. 9.
