The administrative regulations for the pilot projects shall provide that:
 - (a) A twenty-four (24) hour policy may cover general health care for purposes of general health insurance, auto insurance, workers' compensation, or health care normally covered by any line of insurance written in the Commonwealth;
 - (b) A twenty-four (24) hour coverage policy shall not contain deductibles or copayments for medical services or treatment for work-related injuries or diseases; and
 - (c) There shall be no transfer of liabilities or expenses between or among particular lines of insurance whose medical or health components have been combined into a twenty-four (24) hour coverage for health care.
- (2) No policy for twenty-four (24) hour coverage shall become effective until it is reviewed and approved by the Department of Insurance.
- (3) Notwithstanding any other provision of the Kentucky Revised Statutes to the contrary, each insurer authorized or licensed to write insurance in the Commonwealth shall provide any information requested by the department for the purpose of developing a twenty-four (24) hour health policy.

Notwithstanding the provisions of Subtitle 13 of KRS Chapter 304, the premium reduction required in this subsection shall be subject to the approval of the commissioner of the Department of Insurance.

- (6) The participants in a pilot project for twenty-four (24) hour health coverage shall comply with periodic reporting requirements of the Department of Insurance.
- (7) Each insurer authorized or licensed to write insurance in the Commonwealth shall cooperate with the department and shall provide any information requested by the department for the purpose of studying twenty-four (24) hour health policy.
