

216.308 Revocation of license of health care professional assisting in a suicide.

The licensing agency which issued a license or certification to a licensed health care professional who assists in a suicide in violation of KRS 216.302 may revoke license or certification of that person upon receipt of:

- (1) A copy of the record of the criminal conviction or plea of guilty for a felony in violation of KRS 216.302; or
- (2) A copy of the record of a judgment of contempt of court for violating an injunction issued pursuant to KRS 216.306.

Effective: July 15, 1994

History: Created 1994 Ky. Acts ch. 269, sec. 5, effective July 15, 1994.
