

224.20-515 Duties of panel.

The panel shall:

- (1) Render advisory opinions to the cabinet on the effectiveness of the Small Business Stationary Source Technical and Environmental Compliance Assistance Program.
- (2) Prepare periodic reports to the United States Environmental Protection Agency on the program's compliance with the Federal Paperwork Reduction, Regulatory Flexibility, and Equal Access to Justice Acts.
- (3) Review information for small businesses subject to the 1990 Federal Clean Air Act amendments to assure the information is understandable to the layperson.
- (4) Disseminate reports, reviews, and advisory opinions.

Effective: July 14, 1992

History: Created 1992 Ky. Acts ch. 245, sec. 4, effective July 14, 1992.
