

263.120 Transportation of animals dying of communicable disease.

- (1) Except as herein otherwise provided any person holding a license under this chapter may haul and transport the bodies or parts thereof of animals, poultry and fish that have died from a communicable disease in a covered vehicle, bed or tank which is so constructed that no drippings or seepings from such bodies can escape from such vehicle, bed or tank.
- (2) The hauling or transporting of the bodies or parts thereof of any animals, poultry or fish that have died of a highly contagious, infectious or communicable disease shall be prohibited except by specific methods approved by the department.

History: Created 1966 Ky. Acts ch. 47, secs. 12 and 13.
