

304.39-241 Insured's direction of payment of benefits among elements of loss.

An insured may direct the payment of benefits among the different elements of loss, if the direction is provided in writing to the reparation obligor. A reparation obligor shall honor the written direction of benefits provided by an insured on a prospective basis.

Effective: July 15, 1998

History: Created 1998 Ky. Acts ch. 200, sec. 3, effective July 15, 1998.
