

304.44-040 Refusal to provide subsidence coverage permitted.

An insurer may refuse to provide subsidence coverage on a structure evidencing unrepaired subsidence damage until necessary repairs are made or where the insurer has declined, nonrenewed or canceled all coverage under a policy for underwriting reasons unrelated to mine subsidence.

Effective: July 13, 1984

History: Created 1984 Ky. Acts ch. 167, sec. 4, effective July 13, 1984.
