

411.115 Notice of action against governmental unit for damages from use of airport required -- Contents.

No action shall be brought against any governmental unit for damages, noise abatement or otherwise, arising from the operation of aircraft into or out of an airport unless written notice is given to such governmental unit within seven (7) days of the time within which each such operation occurred. Such notice shall state: (1) The location of the property affected; (2) The approximate time such operation occurred; and (3) If known, the type of aircraft and general direction of its flight.

History: Created 1964 Ky. Acts ch. 134, sec. 1.
