

**56.100 State fire and tornado insurance fund -- Payments into -- Limit on risk --
Certificate of terms and conditions.**

- (1) Each fiscal year the State Treasurer shall deduct from any funds in his hands payable to an agency for the care and maintenance of public buildings or property, an amount equal to the premiums certified to him as chargeable against that agency. The amount so debited shall be credited to an account kept by the State Treasurer and known as the state fire and tornado insurance fund. No premium shall be charged on any one (1) subject of risk upon a valuation of more than five hundred thousand dollars (\$500,000) unless the cabinet has contracted for reinsurance that limits the liability of the fund to five hundred thousand dollars (\$500,000) upon such subject of risk.
- (2) The cabinet shall prescribe a certificate setting forth the terms and conditions of coverage under the state fire and tornado insurance fund. Different forms of certificates may be used for different risks. Such certificates may contain such terms and conditions as the cabinet may prescribe, including, but not limited to, a deductible in order that there be fair allocation of significant losses and the elimination of unnecessary costs in administering the state fire and tornado insurance fund.
