

91A.240 Comprehensive report.

Before undertaking any improvements pursuant to KRS 91A.200 to 91A.290, the city shall prepare a comprehensive report setting out:

- (1) The nature of the improvement;
- (2) The scope and the extent of the improvement, including the boundaries or other description of the area to be assessed;
- (3) The preliminary estimated cost of the improvement;
- (4) The fair basis of assessment proposed;
- (5) If financing of assessments is provided, the proposed method, including the proposed years to maturity of any bonds to be issued in connection with the improvement; and
- (6) Such other information as may further explain material aspects of the improvement, assessments, or financing.

History: Created 1980 Ky. Acts ch. 234, sec. 5, effective July 15, 1980.
