

95.930 Investment pools.

The board may create various investment pools within the fund, restricted to certain types of investments, or combining various investments in order to offer different levels of return and risk. Each participant may choose those pools in which it will invest, and the degree of investment.

Effective: July 15, 1980

History: Created 1980 Ky. Acts ch. 307, sec. 9, effective July 15, 1980.
