- (2) An eligible company shall certify to the authority by written application that it makes the following commitments in an economic development project:
  - (a) A minimum investment of one hundred thousand dollars (\$100,000) in the project;
  - (b) Creation of a minimum of ten (10) new full-time jobs at the project site for qualified employees by the activation date, as set forth in KRS 154.23-035 or 154.23-040;
  - (c) A statement that no significant number of existing jobs in the Commonwealth will be lost or adversely affected due to approval of the eligible company and its economic development project; and
  - (d) A statement that the economic development project could reasonably and efficiently locate outside the qualified zone and, without the inducements offered by the authority, the eligible company would likely locate outside the zone.
- (3) (a) No project that will result in the replacement of an existing manufacturing or service or technology facility existing in the Commonwealth shall be approved by the authority; however, the authority may approve a project if the project is one:
  1.
    - a. That rehabilitates a manufacturing or service or technology facility that has not been in operation;
    - b. For which the current occupant of the facility has published a notice of closure so long as the eligible company intending to acquire the facility is not an affiliate of the current occupant; or
    - c. To which the title is vested in one other than the eligible company and that is sold or transferred under a foreclosure ordered by a court of competent jurisdiction or by order of bankruptcy court;
  2.   3. Replaces an existing manufacturing or service or technology facility located in the same qualified zone that cannot be expanded due to the lack of available real estate at or adjacent to the manufacturing or service or technology facility to be replaced. Any economic

- (b) No economic development project otherwise satisfying the requirements of paragraph (a) of this subsection shall be approved by the authority that results in a lease abandonment or lease termination by the approved company without the consent of the lessor.
- (4) (a) Within six (6) months after the activation date, the approved company shall compensate a minimum of ninety percent (90%) of its full-time employees whose jobs were created with base hourly wages equal to either:
- 1. Seventy-five percent (75%) of the average hourly wage for the Commonwealth; or
  - 2. Seventy-five percent (75%) of the average hourly wage for the county in which the project is to be undertaken.

However, for projects receiving preliminary approval of the authority prior to July 1, 2008, the base hourly wage shall be one hundred fifty percent (150%) of the federal minimum wage existing on January 1, 2007. In addition to the applicable base hourly wage calculated above, the eligible company shall provide employee benefits equal to at least fifteen percent (15%) of the applicable base hourly wage; however, if the eligible company does not provide employee benefits equal to at least fifteen percent (15%) of the applicable base hourly wage, the eligible company may qualify under this section if it provides the employees hired by the eligible company as a result of the economic development project total hourly compensation equal to or greater than one hundred fifteen percent (115%) of the applicable base hourly wage through increased hourly wages combined with employee benefits.
