

164.931 Preference to Kentucky medical school graduates and residents.

Graduates of Kentucky medical schools and residents of Kentucky who are graduates of other medical schools in the United States shall be given preference over graduates of foreign medical schools when selecting individuals for residency positions established under KRS 164.925 to 164.933.

History: Created 1976 Ky. Acts ch. 42, sec. 4.
