

164.950 Safety and security departments and officers authorized.

The governing board of each public institution of higher education is authorized to establish a safety and security department and appoint safety and security officers and other employees for the university, college, or other institution of public higher education for which it is responsible, to prescribe distinctive uniforms for the safety and security officers of said institution, and to designate and operate emergency vehicles. Safety and security officers so appointed shall take an appropriate oath of office, in the form and manner consistent with the Constitution of Kentucky, and shall serve at the pleasure of the governing board.

History: Created 1972 Ky. Acts ch. 367, sec. 1.
