

164.9819 Trainee teams -- Composition -- Administrative regulations regarding fees and expenses.

- (1) The primary method of providing services through the center shall be by the use of trainee teams. A trainee team shall consist of an eligible client, a professional from a local service agency, and the client's guardian or one or both of the client's parents.
- (2) The council, after consultation with the center, shall promulgate administrative regulations relating to:
 - (a) Fees charged to sending agencies;
 - (b) Reimbursement of trainee team or client expenses; and
 - (c) Provision of, or reimbursement for, reasonable and customary expenses incurred by trainee teams, clients, or otherwise eligible persons which are not covered by the fees charged to sending agencies. These expenses may include child care for other children of attending parents, guardians, or other persons pursuant to subsection (1) of this section.

Effective: July 15, 1996

History: Created 1996 Ky. Acts ch. 221, sec. 6, effective July 15, 1996.
