

**177.0736 Logo and service signs -- Administrative regulations.**

The commissioner of the Department of Highways shall promulgate administrative regulations, pursuant to KRS Chapter 13A, to provide for the erection of specific service signs on fully controlled access highways or at interchanges on partially controlled access highways. The administrative regulations shall conform to the Manual on Uniform Traffic Control Devices (MUTCD), and shall include, but not be limited to, criteria for the following:

- (1) Distances to eligible businesses;
- (2) Selection of eligible businesses;
- (3) Acceptance of logo signs that conform to the MUTCD;
- (4) Removing or covering logo signs during off seasons for eligible businesses operated on a seasonal basis;
- (5) Defining the circumstances in which specific service signs are erected; and
- (6) Determining the costs to eligible businesses for initial installation, annual maintenance, and removal of logo signs.
