

210.485 Regional boards to provide lists of hospitals, psychiatric facilities, and treatment providers for involuntary treatment under KRS 222.433 and 222.434.

Regional community mental health-mental retardation boards shall, on at least an annual basis, submit the following lists to the circuit clerks in each board's region:

- (1) A list of hospitals and psychiatric facilities in the judicial districts within the board's region which are able and willing to take respondents ordered to undergo seventy-two (72) hours of treatment and observation pursuant to KRS 222.434; and
- (2) A list of hospitals and treatment providers in the judicial districts within the board's region who are able and willing to provide treatment for alcohol and other drug abuse ordered pursuant to KRS 222.433.

Effective: July 13, 2004

History: Created 2004 Ky. Acts ch. 116, sec. 9, effective July 13, 2004.
