

224.10-225 Facilitation of permits for coal-fired electric generation plants and industrial energy facilities.

- (1) The secretary of the Energy and Environment Cabinet shall facilitate the permitting of coal-fired electric generation plants or industrial energy facilities in the Commonwealth by developing procedures for one (1) stop shopping for environmental permits.
- (2) Upon request by an applicant for environmental permits for an industrial energy facility, the secretary, in consultation with the applicant, shall establish specific time periods for actions to be taken in the consideration of its permit applications. The time periods established shall not exceed those adopted by administrative regulations promulgated pursuant to KRS 224.10-220.

Effective: July 15, 2010
