

227.489 Electrical inspectors required to be certified.

The commissioner of housing, buildings and construction shall require electrical inspectors to be certified. Examinations shall be based on the National Electrical Code incorporated in the Uniform State Building Code and the standards of safety prescribed by the department. Electrical inspectors who have been engaged in the inspection of electrical light and power wiring installations, based on the requirements of the National Electrical Code, for a period of three (3) years, may be certified on the basis of knowledge of this subject and experience. No certificate shall be denied, suspended, or revoked unless the applicant or certificate holder is afforded the opportunity for a hearing in accordance with KRS Chapter 13B.
