

227.491 Certification of an electrical installation by an inspector -- Invalidation by another inspector prohibited -- Certification and inspection of electrical installation without seal prohibited.

- (1) An electrical inspector who certifies an electrical installation shall furnish and attach an approval sticker, bearing his or her signature and certification number in a conspicuous place on the main service entrance equipment. He or she shall also provide the owner of the electrical installation or his or her authorized agent with a certificate of approval if the same is requested. A complete record of each inspection shall be kept by the inspector and these records shall be made available to the Department of Housing, Buildings and Construction upon its request.
- (2) No electrical inspector shall:
 - (a) Attempt to supplant, overrule, or otherwise invalidate the judgment of another electrical inspector whose services for a particular building, structure, or other project have been solicited by an owner, contractor, municipality, or other person without first obtaining express written consent from the designated inspector's office supervising the original inspector;
 - (b) Certify unlicensed or unlawful electrical installations;
 - (c) Certify or inspect an electrical installation in a manufactured home or mobile home where the certified installer seal is not present pursuant to KRS 227.570; or
 - (d) Certify or inspect an electrical installation in a previously owned manufactured home or a previously owned mobile home when a Class B1 seal is not present as required by KRS 227.605.
- (3) Failure of an electrical inspector to observe subsection (2) of this section shall subject that inspector to review by the commissioner of housing, buildings and construction with possible suspension of certification for a period not to exceed one (1) year from the date of the commissioner's ruling.
