

227.800 Definitions.

As used in KRS 227.800 to 227.810, unless the context otherwise requires:

- (1) "Department" means the Department of Housing, Buildings and Construction;
- (2) "Fountain" means all devices that artificially produce or contain a jet or stream of water;
- (3) "Ground-fault circuit-interrupter" means a device intended for the protection of the general public that functions to deenergize a circuit or a portion thereof within an established period of time when a current to ground exceeds a predetermined value that is less than that required to operate the overcurrent protective device of the supply circuit;
- (4) "Pool" means all swimming, wading, therapeutic, decorative, ornamental, display, and reflection pools; hot tubs; spas; and hydromassage bathtubs, whether permanently installed or storable; and
- (5) "Public place" means any building, structure, or location that is accessible to the general public for business, civic, educational, political, religious, recreational, social, or travel purposes.
